Data sheet:
CN-212

Product code : CN-212
Product name : USB Repeater Cable
EAN code : 8716502005895

If the distance between USB device and the computer is more than 5 metres, the cable signal must be amplified. The USB 2.0 repeater cable amplifies this signal and guarantees a safe extension to 5 metres. A total distance of up to 25 metres can be achieved by using multiple extensions with repeater cables.

Box content:

- USB Repeater Cable
- User manual

System requirement:

- Windows 2000/XP/Vista/Mac OS
- Free USB 1.1 or USB 2.0 port

Designed in Europe

RoHS compliant

No. 12107
